Welcome to Swallows Fields Target Club. This is a very friendly airgun club and a great place to enjoy airgun shooting. We want all visitors and members to enjoy their shooting in a safe and responsible manner; airguns can cause serious injury or even death if misused. The club safety rules and notices should be studied carefully and followed at all times. If you are unsure or concerned about any aspect of shooting or safety - ASK!

Declaration

Airguns are treated as Firearms by the law and the penalties for misuse can be severe - up to 5 years in jail! The Police often prosecute where firearms legislation is broken and the club supports the police in these efforts. This documentation will, if requested, be transmitted to the relevant authorities.
